

XL Connect Rubber Tile

A DEPENDABLE, ROBUST AND DURABLE GYM FLOOR TILE

XL Connect Rubber Tile is a dual-layer SBR tile with a factory bonded EPDM wear layer. XL Connect Rubber Tile has been developed to withstand impact and protect sub floors from damage. The tile can be combined with underlayment to offer advanced impact protection and acoustic prevention.

TECHNICAL INFO

Surface: Cut from high density rubber roll flooring. A mix of SBR and EPDM rubber

The base: Made of recycled rubber and EPDM

The bottom: Patented impact bottom design, good for shock absorbent and impact sound. The pattern on the bottom allows connectors to be installed
